The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

Extract from a speech delivered by A. B. Fripp, M.D., M.S.F.R.C.S., of the Guy's Hospital, London, Eng.: "In my own science I have tried this **ELECTROZONE** on many diseases and have found in every case it was a good deodorant. The more stinking the disease, the more difficult the case to treat, and however bad the sores, whether about the mouth, or other parts of the body, the disease was attacked better with **ELECTROZONE** than any other disinfectant I have ever met with."

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

## INDIAN TERRITORY.

POPULATION, 172,321.

(Census of 1890.)

Number of Physicians, 508.

The Territory is bounded on the north by Oklahoma Territory, on the south by Texas, on the east by Arkansas, and on the west by Texas, and comprises an area of 29,961 square miles, or 19,175,000 acres. It forms part of that vast inclined plane which slopes gradually down from the base of the Rockies to the Mississippi river. The valleys of the rivers in the eastern portion are fertile. The Arkansas, Red and Canadian rivers, with their tributaries, drain the Territory. The climate is warm and dry, the southeastern being the hottest and the north-western the coldest portions; the mean annual temperature in the former is 60 degrees and the latter 55 degrees. The mean average rainfall is 31.2 inches.

The Indians have made considerable advances in civilization during the past few years. have newspapers printed in their own language, good schools, and are engaged in agriculture and a few branches of manufacturing. No reliable statistics regarding the Territory are obtainable.

who have located or may locate hereafter within the limits of said Nation for the purpose of practicing medicine.

Section 145. Any person desiring to come before the board for examination shall make his or her application to the president of the board in writing, and shall accompany such application with sufficient references of his or her moral character in the community in which he or she resided the year previous, and shall also accompany such application with the endorsement of four or more citizens of the Nation, resident in the vicinity where the applicant may desire to practice medicine. Such application shall likewise be accompanied with the sum of twenty-five dollars, which shall be the fee for examination.

Section 146. Any person coming before the board and standing a satisfactory examination shall be furnished a certificate of the same, and upon presentation of such certificate to the United States Indian Agent, he is requested to grant the holder thereof a permit to reside in the Cherokee Nation for one year for the purpose only of practicing medicine, and to renew annually such permit upon satisfactory evidence of good behavior.

Section 147. Any person not a citizen, and claiming to be a physician, and failing to comply with the provisions of this act, shall be deemed an intruder and dealt with accordingly; and it shall be the duty of said board to report to the principal chief any person making application and failing to pass a satisfactory examination (November 24th, 1873).

Section 148. The principal chief is authorized to grant the holder of a certificate of a satisfactory examination from the "board of physicians" a permit to remain within the Cherokee Nation under the same terms and conditions as the act of November 24th, 1873, grants to the United States Indian Agent.

Section 149. Any physician lawfully practicing his profession within the Nation may collect in the same manner and upon the same conditions as other debts are collected before any of the courts of the Nation, not exceeding 75 cents per mile in going to visit a patient, during the hours from sunrise to sunset, and not exceeding one dollar per mile from sunset to sunrise (December 7th, 1873).

## MEDICAL LAWS OF THE CHOCTAW NATION.

### Chapter IX., Section IV. The Practice of Medicine.

1. The principal chief is authorized and required to appoint a board of physicians to consist of three persons, citizens of the Choctaw Nation, who are regular graduates of some well-known medical college, and residents of said Nation, whose duty it shall be to examine all persons not citizens of this Nation, who have located, or may locate hereafter, within the limits of said Nation for the purpose of practicing medicine.

2. Any person desiring to come before the board for examination, shall make application in writing to said board, and shall accompany such application with sufficient references of his or her moral character, by four or more citizens of the Nation of good standing, to whom the applicant is known. The fee for the examination of each applicant shall be twenty-five dollars, and in default of the payment of which in advance, the board are not required to make the examination.

3. If an applicant shall stand a satisfactory examination, or shall hold a diploma such as may be satisfactory to said board, they shall grant said applicant a certificate upon which the principal chief shall authorize the judges of the county courts to grant a permit to such applicant to practice medicine; and without the authority of the principal chief, as above mentioned, the county judge is hereby prohibited from granting the same.

4. Any person, not a citizen, who shall practice medicine in this Nation in violation of the provisions of this act, shall be held to be an intruder and dealt with accordingly.

Permit costs \$10, and has to be renewed annually.

## CREEK NATION.

J. R. Brewer, M. D., of Muskogee, writes:

"There is no Creek law regulating the practice of medicine further than you pay \$25 per annum for the privilege of practicing medicine in the Creek Nation. Anyone is permitted to practice who pays said permit, whether he knows anything about medicine or the human system or not."

Indiana extends from 37 degrees 51 minutes to 41 degrees 46 minutes N. latitude, and from 85 degrees 48 minutes to 88 degrees 1 minute W. longitude, and is bounded on the north by Michigan and Lake Michigan, on the south by the Ohio river, which separates it from Kentucky; on the east by Ohio, and on the west by Illinois. It comprises an area of 33,800 square miles or 21,737,760 acres. The surface is generally level, with the exception of the eastern portion, which has an average elevation of from 700 to 900 feet.

The climate is salubrious, and is somewhat milder than is experi-

enced in the same latitudes on the Atlantic coast. The winters are cold, but not of long duration, and the summers are often very hot. The mean annual temperature, as observed at Indianapolis, is 51 degrees, that of the summer 72.64 degrees, and of the winter 28.71 degrees. The average annual rainfall is about 43 inches.

The following table shows the increase in population for 70 years:

## MEDICAL LAWS OF INDIANA.

AN ACT regulating the practice of medicine, surgery and obstetrics, providing for the issuing of licenses to practice, providing for the appointment of a State Board of Medical Registration and Examination and defining their duties, defining certain misdemeanors, and providing penalties, and repealing all laws in conflict therewith and certain acts therein specified. (H. 226. Approved March 8, 1897.)

Section 1. Be it enacted by the General Assembly of the State of Indiana, That it shall hereafter be unlawful for any person to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do, as hereinafter provided.

Sec. 2. After this law goes into effect, any person desiring to begin the practice of medicine, surgery or obstetrics in this State, shall procure from the State Board of Medical Registration and Examination a certificate that such person is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana; and in order to procure such certificate the applicant shall submit to the State Board of Medical Registration and Examination his diploma, with an affidavit setting forth the time and under what circumstances said diploma was received, and that the affiant is the person to whom such diploma was issued. Such application shall be accompanied by the affidavits of two freeholders resident in the same county in which the applicant resides, stating that the applicant is the person named in the accompanying diploma and application for a certificate. All diplomas received by the Board shall be returned to the person owning the same. Such applicant shall pay to said Board the sum of six dollars (\$6.00) at the time of making such application. All persons practicing medicine, surgery and obstetrics in the State of Indiana when this law goes into effect, and desiring to continue the same, shall, within ninety days thereafter, obtain a certificate that they are entitled to do so by presenting to the State Board of Medical Registration and Examination the license possessed by them at the time of the passage of this law, together with an affidavit that they are the legal possessors of the same, and the persons mentioned therein, and such applicant shall pay to the Board the sum of one dollar (\$1.00) at the time of making such application. The Board shall thereupon issue to such applicant a certificate, which, when presented to the County Clerk of the proper county, shall entitle the holder to a license to practice medicine, surgery and obstetrics in the State of Indiana. In the event an applicant for a certificate from the State Board of Medical Registration and Examination shall present a diploma from a medical college which is not recognized as maintaining a sufficiently high grade or standard of medical education as defined and fixed in the records of the Board, the applicant shall have the privilege of being examined as to his qualifications to practice medicine, surgery and obstetrics in such manner as the Board shall provide, and if he shall pass an examination satisfactory to the Board he shall receive a certificate, the same as if he had presented a satisfactory diploma and other evidences of qualifications for the practice of medicine. But if he should fail to pass such examination he shall be permitted to submit to another examination within twelve months from the time of first examination. He shall pay to the State Board of Medical Registration and Examination the sum of twenty-five dollars (\$25.00) fifteen dollars (\$15.00) of which sum shall be returned to him in the event of his failing to pass said examination: Provided, however, That payment of said sum of twenty-five dollars (\$25.00) shall entitle him to a re-examination in case of failure at (the) first or any subsequent examination: And provided, further, That if such applicant shall fail to pass the examination prescribed by such Board of Medical Registration and Examination, he shall have the right to an appeal to the Circuit or Superior Court of the proper county, requiring such Board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the State of Indiana, upon the applicant giving a good and satisfactory bond, to be approved by the Court, to secure all costs of suit should the appeal be determined against him. Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The person receiving such license shall pay to the County Clerk fifty cents (\$0.50) as his fee for issuing and recording such license as hereinafter provided. In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside, by filing with the County Clerk the license obtained by him in the county in which he last resided, in the same manner as provided for in on the presentation of his certificate from the State Board of Medical Registration and Examination, and the Clerk shall issue him a new license.

Sec. 3. It shall be the duty of the Clerk of the county in which an applicant resides to issue to the person presenting such certificate, as hereinbefore provided for, a license under his official seal in the following form: State of Indiana, County of ....., ss:

I, ....., Clerk of the Circuit Court of ..... County, in the State of Indiana, do hereby certify that ..... has complied with the laws of the State of Indiana relating to the practice of medicine, surgery and obstetrics in the County and State aforesaid.

Witness my hand and seal of said Court this ..... day of ....., 189..

....., Clerk.

The County Clerk shall enter of record the name, age, place and birth, address, school or system of medicine to which said applicant belongs, and the person so registering shall subscribe to and verify by oath before such Clerk an affidavit concerning such facts, which, if willfully false, shall subject the affiant to conviction for perjury. The County Clerk shall furnish annually, on the first day of January, to the State Board of Medical Registration and Examination, upon blanks furnished by said Board a duplicate list of all certificates received and licenses issued by him during the preceding year, and shall include therein the date of issue of said license, and the name, age and residence of the person receiving the same.

Sec. 4. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Indiana to appoint a State Board of Medical Registration and Examination, composed of five (5) members, who shall serve, two for one year, one for two years, one for three years, and one for four years; and their successors for a term of four years each. No school or system of medicine shall have a majority representation on such Board. Said Board shall be non-partisan, and not more than three shall be members of any one political party. The Governor shall select members of said Board of Medical Registration and Examination from reputable physicians in this State who are graduates of any college of medicine of good repute: Provided, That no professor or teacher in a medical college shall be appointed as a member of such Board: Provided, further, That each of the four schools or systems of medicine having the largest numerical representation in the State shall have at least one representative on said Board. Should a vacancy occur in said Board by death, resignation, removal, or otherwise, then it shall be the duty of the Governor to fill the vacancy from the school or system entitled to representation by virtue of such vacancy. The Governor shall have power to remove any member of said Board for incompetency, gross immorality, for any abuse of his official power, or for other good cause, and may fill any vacancy thus occasioned by appointment. Any person appointed to fill any vacancy on such Board, whether occasioned by death, resignation, removal or otherwise, shall hold for the unexpired term of the member whose place he is appointed to fill.

Sec. 5. It shall be the duty of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a president, secretary and treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January, April, July and October of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all rules and regulations for the transaction of its business. For their services the members shall receive the sum of ten dollars (\$10.00) per day, and their traveling expenses necessarily incurred in attendance upon such meetings. It shall be the duty of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such applications, including the action of the Board thereon, and the said Board may employ a clerk, and fix his salary at not more than one thousand dollars (\$1,000) per annum. It shall be the duty of the treasurer of said Board to pay quarterly all moneys received by the Board to the treasurer of the State, which moneys shall be credited to a separate and permanent fund for medical registration and examination, which is hereby created. All moneys so paid to the Treasurer of State shall remain and be a separate and permanent fund for the maintenance of the said Board of Registration and Examination. The said Board shall, by its president and secretary, from time to time, certify to the Auditor of State, the necessary expenses incurred by the said Board, including the salaries and per diem of the members, and the Auditor shall issue his warrant for the same, which shall be paid out of the fund so established for the maintenance of the said Board: Provided, That no order shall be drawn by any State official on any fund other than the above named fund for any salaries, printing or stationery, or other expenses incident to the administration of this act. The treasurer and secretary of said Board shall each give bond in the sum of

ten thousand dollars (\$10,000.00), with sureties to be approved by the Governor, which bonds shall be filed with the Auditor of State. The members of the State Board of Medical Registration and Examination are authorized to administer oaths in matters relating to the discharge of their official duties. The State Board of Medical Registration and Examination is charged with the duty of enforcing this act, and it shall be the duty of the prosecuting attorney, upon the complaint of the board, to prosecute any violation of this act. The State Board of Medical Registration and Examination shall from time to time establish and record in a record, kept by them for that purpose, a schedule of the minimum requirements which must be complied with by applicants for examination for license to practice medicine, surgery and obstetrics, before they shall be entitled to receive such license. The said Board shall also, in like manner establish and cause to be recorded in such record a schedule of the minimum requirements and rules for the recognition of medical colleges, so as to keep these requirements up to the average standard of medical education in other States. After the year 1897 no change shall be made in such schedules of requirements in any year, after the month of January of such year, nor shall any change be made to have any retroactive effect, or that shall affect students theretofore matriculated. Such records shall at all times be open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form, and mailed to all medical colleges in the State, and shall also be furnished to any person upon application. Said Board shall not, in the establishment of the aforesaid schedules of requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems or schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the State. It shall have power to make and establish all necessary rules and regulations for reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusions by other States of graduates in medicine from this State who have filled its requirements. When an application for a certificate is made, and a diploma submitted, as herein provided, it shall be the duty of the State Board of Medical Registration and Examination to determine, upon the evidence presented, whether such diploma rightfully belongs to and was issued to the person making application for a certificate, and whether the medical college that issued the diploma maintains a standard of medical education conforming to that fixed by the State Board of Medical Registration and Examination, and whether the application otherwise complies with the rules of the Board. If these facts are shown by competent evidence, it shall be the duty of the State Board of Medical Registration and Examination to issue a certificate, signed by its president and secretary, and under its official seal, stating that the person applying for such certificate and possessing such diploma is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana. The State Board of Medical Registration and Examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresentation, the Board may revoke such license. The Board may refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery, and may, after notice and hearing, revoke a certificate for like cause. An appeal may be taken from the action of the Board. If any person holding a license under the provisions of this act shall be guilty of any of the above enumerated acts, the license of such person may be revoked by the Board, upon the finding and judgment as hereinafter provided that the holder thereof has been guilty of any of the above enumerated acts. A specific written charge, verified by affidavit, must be presented to the Board, making definite and specific charges of such offense against the holder of such license. It shall thereupon be the duty of the Board to refer such verified charge to the Circuit Court of the county in which the holder of such license resides. The Clerk of such Court shall thereupon docket the same as a cause pending in said court. The said verified charge shall be treated as a complaint, and summons shall issue thereupon to the accused, as in ordinary civil cases. The accused may appear and plead to said charge and issues may be formed thereon, as in civil cases, which shall thereupon be tried by the Judge of said Circuit Court. It shall be the duty of the Prosecuting Attorney of said circuit to appear in such causes and represent the Board. The only finding and judgment in such cases shall be guilty or not guilty as to each charge. The judgment of the Court upon such charges shall be at once certified to the Board by the Clerk of said court. If the finding of the court is "guilty" as to any one of said charges, said Board may thereupon make an order revoking such license. If judgment of "guilty" is awarded in such cause, the costs of such proceeding shall be recovered

of the accused and a fee of ten dollars shall be taxed therein in favor of the Prosecuting Attorney.

Sec. 6. All persons practicing midwifery in this State, and who have practiced it for ten years last preceding the passage of this act, and desiring to continue the same, shall, within ninety (90) days thereafter, make application to the State Board of Medical Registration and Examination by submitting an affidavit, fully attested, giving the name, age, residence, the length of time during which, and the place or places at which the applicant has been engaged in such practice, and the special education, if any, which the applicant has received for such practice. Such application shall be accompanied by the affidavits of two freeholders, duly attested, that the applicant is known to them as the person applying for a certificate to practice midwifery, and that such applicant has been engaged in the active practice of midwifery, giving the location or locations of such practice for at least ten (10) years previous to the passage of this act. Upon such application, and the payment of one dollar (\$1.00), the State Board of Medical Registration and Examination shall issue to the applicant a certificate, which shall, when presented to the County Clerk, entitle the holder to a license to practice midwifery in this State. All persons desiring to enter upon the practice of midwifery in this State after this law goes into effect shall present to the State Board of Medical Registration and Examination their diplomas, duly attested, and procure(d) from an obstetrical school of such standing as shall be recognized and determined by the Board; or shall submit to such examination in midwifery as the Board shall require, and pay a fee of three dollars (\$3.00). Such evidence of qualification being satisfactory to the Board, it shall issue a certificate entitling the holder to a license from the Clerk of the county in which the applicant resides, which license shall entitle the holder to practice midwifery in this State. The license thus issued shall conform to all requirements of registration imposed upon physicians' licenses in section two of this act and shall be subject to revocation for the same cause as provided in section five in case of license to physicians.

Sec. 7. Nothing in this act shall be (so) construed as to discriminate against any school or system of medicine, or to prohibit gratuitous services in cases of emergency, or to the administration of family remedies. This act shall not apply to any commissioned officer of the United States Army, Navy or Marine Hospital Service in the discharge of his official duties; nor to any physician or surgeon who is legally qualified to practice in the State or Territory in which he resides when in actual consultation with a legal practitioner of this State; nor to any physician or surgeon residing on the border of a neighboring State and duly authorized to practice under the laws thereof, whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. This act shall not be construed to prevent medical students from practicing medicine and surgery under the immediate and direct supervision of a licensed physician, nor shall it apply to legally qualified dentists when engaged in the exclusive practice of dentistry, nor to any optician who shall hereafter engage in the practice of optometry. This law shall not be construed to apply to non-itinerant opticians engaged in the practice of optometry in this State at the time and prior to the passage of this act.

Sec. 8. To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county of the State, or to prescribe for, or to give surgical assistance to those suffering from disease, injury or deformity, shall be to engage in the practice of medicine within the meaning of this act.

Sec. 9. Any person who shall practice medicine, surgery or obstetrics in this State without having a license duly issued as hereinbefore provided, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 10. All laws and parts of laws in conflict with this act are hereby repealed, and also an act entitled "An act regulating the practice of medicine, surgery and obstetrics, providing for the issuing of license to practice, defining certain misdemeanors and providing penalties," approved April 11, 1885, and all amendments thereto be and the same are hereby repealed.

Approved March 8, 1897.

*The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.*

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

Iowa extends from 40 degrees 25 minutes to 43 degrees 30 minutes north latitude, and from 90 degrees 18 minutes to 96 degrees 53 minutes west longitude, and is bounded on the north by Minnesota, on the south by Missouri, on the east by Wisconsin and Illinois, and on the west by Dakota and Nebraska. It comprises an area of 55,045 square miles, or 35,228,800 acres, and forms part of an immense plain, unbroken by any mountain range. The climate is salubrious and is not marked by unhealthy extremes, the mean annual temperature, as observed at Des Moines, being 48.94 degrees, that of the summer 71.80 degrees, and of the winter 25.39 degrees. The average amount of rainfall is about 43 inches.

The following table shows increase in population since 1840:

1840.....	43,112	1870. ....	1,194,024
1850.....	192,214	1880.....	1,624,615
1860.....	674,963	1890.....	1,911,896

The following is a list of the medical colleges of the State: College of Physicians and Surgeons, Keokuk; Medical Department of the State University of Iowa, Iowa City; Homoeopathic Medical Department of the State University of Iowa, Iowa City; Iowa College of Physicians and Surgeons, Des Moines; Keokuk Medical College, Keokuk; and Sioux City College of Medicine (Medical Department of the University of the Northwest), Sioux City.

Rate of mortality in Iowa, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,911,896	17,521	9.16	17,395	162	9.13	15.00

The total number of deaths from consumption during 1890 was 1,832, which was at the rate of .96 per 1,000 of population, or 104.56 per 1,000 of total deaths.

## MEDICAL LAWS OF IOWA.

The following facts are stated for the information of those desiring to practice medicine, surgery or obstetrics in any of their branches in the State of Iowa, and are furnished in lieu of the statute which is not published in pamphlet form.

# DENTISTS, U. S. and Canada, see R. L. Polk & Co.'s DENTAL REGISTER for 1898.

The statute relating to the practice of medicine is entitled Chapter 17, Title XII., The Code, and is embraced in Sections 2576 to 2583, both inclusive.

Section 2576 makes the physicians of the State Board of Health (seven) the Board of Medical Examiners, and the secretary of the former board the secretary of the latter; provides for meetings in May and November and oftener if deemed necessary; provides for issuing two certificates, one on diploma from a recognized medical college, for which the fee is five dollars, and one on examination, for which the fee is twenty dollars. It prescribes the method of examination, and states that a failure to pass the examination will entitle the candidate to a re-examination without additional fee.

Section 2577 requires that before beginning practice the certificate shall be registered with the county recorder of the county in which the holder thereof resides, and in any other county of the state to which he may remove to practice. The fee for such record is fifty cents.

Section 2578 declares that a certificate may be refused to anyone otherwise qualified who is not of good moral character; and for like cause, or for incompetency, or habitual intoxication, or upon proper evidence that a certificate had been granted upon false or fraudulent statements as to graduation or length of practice, may revoke the same; provides that such revocation can only be made by an affirmative vote of at least five members of the Board, and this number shall embrace at least one or more members of the different schools of practice on the board; and further that the standing of a legally chartered medical school can only be questioned by a like vote.

Section 2579 says that anyone shall be regarded as a physician under the meaning of the law who shall publicly profess to be a physician, surgeon or obstetrician, and assume the duties thereof, or who shall make a practice of prescribing or of prescribing and furnishing medicine for the sick, or who shall publicly profess to cure or heal. The following persons are exempt from the provisions of the law: Medical students who have attended not less than two full courses of lectures in a reputable medical college, who may prescribe under the supervision of a preceptor, or gratuitous services in cases of emergency; surgeons of the U. S. army or navy, or of the U. S. marine hospital service; physicians and midwives who have previously obtained certificates on length of practice without diploma or examination; physicians who, without such certificate, have been in practice in Iowa for five consecutive years, three years in one locality; registered pharmacists filling prescriptions; advertising or selling patent or proprietary medicines, or natural mineral waters flowing from wells or springs.

Section 2580 prescribes penalties as follows: For presenting to the Board of Examiners a fraudulent or false diploma, or one of which the holder is not the rightful owner, in order to procure a certificate; or for filing or attempting to file with the county recorder the certificate of another; or for practicing without obtaining and recording the required certificate; or for continuing to practice after the certificate has been revoked (unless embraced in the exceptions of section 2579), the offense is declared a misdemeanor, and the fine not less than three hundred nor more than five hundred dollars and imprisonment in the county jail until such fine is paid. Anyone who shall attempt to file with the county recorder the certificate of another person, with the name of party to whom it was issued erased and the claimant's name inserted, or shall attempt to file with the Board of Medical Examiners any false affidavit of identification, shall be guilty of forgery.

Section 2581 declares an itinerant physician to be a physician practicing medicine, surgery or obstetrics, or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or method, who goes from place to place, or from house to house, or by circulars, letters or advertisements asks persons to meet him for such treatment at places other than at his office or at his place of residence, and requires all such, in addition to the ordinary physician's certificate, to procure an itinerant's license from the State Board of Medical Examiners, for which he shall pay to the state treasurer the sum of two hundred and fifty dollars per annum. The penalty for itinerating without such license is the same as for practicing as a physician without a certificate. The board may, for cause, refuse to issue such license, or, having issued it, may revoke it for incompetency or gross immorality. This section does not prevent physicians from attending patients in any part of the state, to whom he may be called in the regular course of business, nor from consulting with other physicians.

Section 2582 provides that after January 1, 1899, no person can begin the practice of medicine in Iowa except upon examination; that no person can be admitted to examination except upon graduation from a medical college recognized by the board as of good standing, and that no college can be so recognized by the board that does not require of those graduating after January 1, 1899, attendance upon four full courses of study of not less than twenty-six weeks each, no two of which courses shall have been given in any one year, as a condition of such graduation.

Section 2583. Compensation and disposal of surplus fees.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

Kansas lies within the meridians of 94 degrees 37 minutes and 102 degrees west longitude, and the parallels 37 degrees and 40 degrees north latitude, and is bounded on the north by Nebraska, on the south by the Indian Territory, on the east by the Missouri River and the State of Missouri, and on the west by Colorado. It is the central State of the Union, being equi-distant from the Pacific and Atlantic oceans on the west and east, and the British possessions and Mexico on the north and south, and contains an area of 81,318 square miles, or 52,043,520 acres.

The climate is mild and healthful, the mean annual temperature as observed at Lawrence being about 53 degrees—that of the summer 75.82 degrees and of the winter 31.65 degrees. The average annual rainfall is about 31.75 inches.

The following table shows the increase in population for 30 years:

1860 .....	107,206	1880 .....	996,096
1870 .....	373,299	1890 .....	1,427,096

There are no medicinal springs. The medical institutions in the State are the College of Physicians and Surgeons at Kansas City, the Kansas Medical College at Topeka, and a preparatory college located at Lawrence.

Rate of mortality in Kansas, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,427,096	12,018	8.42	11,317	701	8.22	13.87

The number of deaths from consumption during 1890 was 1,368, which was at the rate of .96 per 1,000 of population, or 113.83 per 1,000 of total deaths.

## MEDICAL LAWS OF KANSAS.

(Session Laws of 1870, ch. 68—G. S. 1889, §§2450, 2451.)

Section 1. (2450). That it shall be unlawful for any person within the limits of the State of Kansas, who has not attended two full courses of instruction and graduated in some respectable school of medicine, either of the United States or some foreign country, or who cannot produce a certificate of qualification from some state or county medical society, and is not a person of good moral character, to practice medicine in any of its departments for reward or compensation, for any sick person within the State of Kansas: Provided, That in all cases, when any person has been continuously engaged in the practice of medicine for a period of 10 years or more, he shall be considered to have complied with the provisions of this act, and that where persons have been in continuous practice of medicine for five years or more, shall be allowed two years in which to comply with such provisions.

Sec. 2. (2451). Any person living in the State of Kansas, or any person coming into said state, who shall practice or attempt to practice medicine in any of its departments, or perform or attempt to perform any surgical operation upon any person within the limits of said state in violation of section 1 of this act, shall, upon conviction thereof, be fined in not less than \$50 nor more than \$100 for such offense; and upon conviction for a second violation of this act shall, in addition to the above fine, be imprisoned in the county jail of the county in which said offense shall have been committed for the term of 30 days, and in no case wherein this act shall have been violated shall any person so violating receive compensation for service rendered: Provided, That nothing herein contained shall in any way be construed to apply to any persons practicing dentistry.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

and Indiana, on the west by Missouri, on the south by Tennessee, and on the east by Virginia and West Virginia. The State comprises an area of 37,480 square miles, or 23,987,200 acres. It has a river boundary of 813 miles, its northern border being washed by the Ohio, its eastern by the Big Sandy or Chattahoochee, and its western by the Mississippi; nearly all the other rivers which drain the State are affluents of the Ohio.

The climate here, as in all parts of the United States, is variable; but Kentucky is marked by no unhealthy extremes, the mean annual temperature being 55 degrees F., that of the summer 73.96 degrees, and of the winter 38 degrees. The average annual rainfall along the Ohio river is about 48 inches and in the southern extremity 60 inches.

The following table shows increase in population for 70 years:

1820 .....	564,135	1860 .....	1,155,684
1830 .....	687,917	1870 .....	1,321,011

## MEDICAL LAWS OF KENTUCKY.

Be it Enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. It shall be the duty of the county clerk of each county to purchase a book of suitable size, to be known as the "Medical Register" of the county, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the county, he shall make a note of the same at the bottom of the page; and said clerk shall, on the first day of January in each year, transmit to the office of the State Board of Health a duly certified list of the physicians of said county registered under this law, together with such other information as is hereinafter required, and perform such other duties as are required by this law; and such clerk shall receive the sum of fifty cents from each physician so registered, which shall be his full compensation for all the duties required under this law.

Sec. 2. It shall be unlawful for any person to practice medicine, in any of its branches, within the limits of this State, who has not exhibited and registered in the County Clerk's office of the county in which he resides his authority for so practicing medicine as herein prescribed, together with his age, address, place of birth, and the school or system of medicine to which he proposes to belong; and the person so registering shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if willfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this law shall be a certificate from the State Board of Health, and said board shall, upon application, issue the certificate to any reputable physician who is practicing, or who desires to begin the practice of medicine in this State, who possesses any of the following qualifications: First, a diploma from a reputable medical college legally chartered under the laws of this State. Second, A diploma from a reputable and legally chartered medical college of some other State or country, indorsed as such by the State Board of Health. Third, Satis-

factory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February twenty-third, one thousand eight hundred and sixty-four. Applicants may present their credentials by mail or proxy, and the board shall issue its certificates to such applicants as are entitled thereto as though the applicant was present. All certificates shall be signed by the president and secretary, and attested by the seal of the board, and not more than two dollars shall be charged for any certificate.

Sec. 4. Nothing in this law shall be construed as to authorize any itinerant doctor to register or to practice medicine in any county in this State.

Sec. 5. The State Board of Health may refuse to issue the certificate provided for in section three of this article to any individual guilty of grossly unprofessional conduct of a character likely to deceive or defraud the public, and it may, after due notice and hearing, revoke such certificates for like cause. In all cases of refusal or revocation, the applicant may appeal to the Governor, who may affirm or overrule the decision of the board, and this decision shall be final.

Sec. 6. Nothing in this law shall be so construed as to discriminate against any peculiar school or system of medicine, or to prohibit women from practicing midwifery, or to prohibit gratuitous services in case of emergency; nor shall this law apply to commissioned surgeons of the United States army, navy or marine hospital service, or to legally qualified physicians of another State, called to see a particular case or family, but who does not open an office or appoint any place in this State where he or she may meet patients or receive calls.

Sec. 7. It shall be the duty of the State and local Boards of Health to bring to the attention of the courts any violations of the provisions of this law within their respective jurisdictions.

Sec. 8. Any person living in this State, or any person coming into this State, who shall practice medicine, or attempt to practice medicine in any of its branches, or who shall perform, or attempt to perform, any surgical operation for or upon any person within the limits of this State, for reward or compensation, in violation of the provisions of this law, shall, upon conviction thereof, be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, or either or both, in the discretion of the jury; and in no case, where any provision of this law has been violated, shall the person so violating be entitled to receive compensation for services rendered. To open an office for such purpose, or to announce to the public in any other way a readiness to practice medicine in any county, shall be to engage in the practice of medicine within the meaning of this law.

Approved April 10th, 1893.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

*The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.*

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

somewhat hilly, are better drained. Much of the soil bordering on the Mississippi is below the level of the river during high water, and is protected from inundation by levees of earth similar to the dikes of Holland.

The climate is warm, but the winters are colder and more variable than in the same latitude on the Atlantic coast. The mean annual temperature, as observed at New Orleans, is 69.06 degrees, that of the summer, 81.08 degrees, and of the winter, 56 degrees. The average annual rainfall is about 51 inches.

The following table shows the increase in population for 70 years:

1820.....	152,923	1860.....	708,002
1830.....	215,739	1870.....	726,915
1840.....	352,411	1880.....	939,946
1850...	517,762	1890.....	1,118,587

There are several mineral springs in the State.

The medical colleges in the State are the Medical Department Tulane University of Louisiana; and the Medical Department New Orleans University (for colored students).

Rate of Mortality in Louisiana, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,118,587	16,354	14.62	8,638	7,716	15.47	13.78

Total number of deaths from consumption during 1890 was 1,516, which was at the rate of 1.35 per 1,000 of population, or 92.70 per 1,000 of total deaths.

## MEDICAL LAWS OF LOUISIANA.

An Act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof; to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act.

Section 1. Be it enacted by the General Assembly of the State of Louisiana, That from and after the promulgation of this act, no person excepting those already engaged under existing laws in the practice of medicine, surgery, midwifery and dentists shall practice medicine in any of its departments within the State of Louisiana unless such person shall possess all the qualifications required by this act.

Sec. 2. Be it further enacted, etc., That after the promulgation of this act, any person before entering upon the practice of medicine in any of its branches, dentists excepted, shall present to the Board of Medical Examiners, as hereinafter constituted, a diploma from a medical college in good standing; said standing to be determined by the board, and shall pass a satisfactory examination before the board upon the following branches, to-wit: Anatomy, physiology, chemistry, principles of medicine, obstetrics, physical diagnosis, surgery, materia medica and hygiene. The person shall also satisfy the board that he or she is 21 years of age, of good moral character, and possesses at least a fair primary education. If said diploma and examination are satisfactory to the board they shall issue to such person a certificate in accordance with the facts.

Sec. 3. Be it further enacted, etc., That the medical examiners herein provided for shall consist of two boards—one of physicians and surgeons recommended by the Louisiana State Medical Society, and one of physicians and surgeons recommended by the Hahnemann State Medical Society. There shall be five members of each board, any three of whom shall constitute a quorum for the purpose of holding an examination and granting a certificate. All the members of both boards shall be graduated physicians and practitioners.

The board composed of physicians and surgeons recommended by the Louisiana State Medical Society shall examine all applicants who propose to practice any other than the homeopathic system of medicine, and the board composed of physicians recommended by Hahnemann State Medical Society shall examine all applicants who propose to practice the homeopathic system of medicine. The certificate of either board shall be conclusive proof of the efficiency of the applicant examined by said board. All examinations held by the boards and the answers of the applicants shall be in writing, and shall be kept as records. All members of both boards shall be appointed by the Governor of the State from a list of names presented by the Louisiana State Medical Society and the Hahnemann State Medical Society, and the Governor shall have the right to remove any or all the members thereof for inefficiency or neglect of duty, and to fill all vacancies occurring in these boards from names recommended by their respective societies.

Sec. 4. Be it further enacted, etc., That the first Boards of Medical Examiners appointed under this act shall meet and organize with thirty days from the date of their appointment, and shall name one member to serve for the term of two years, one member for the term of three years, one member for the term of four years, one member for the term of five years, and one member for the term of six years; deciding by lot or agreement among themselves as to their respective terms. At the expiration of the above terms each member shall be appointed by the Governor for the term of six years, from names recommended by their respective State medical societies.

Sec. 5. Be it further enacted, etc., That every person practicing midwifery in this State, on the passage of this act, shall, within ninety days thereafter, register with the secretary of the Board of Health, in the parish of Orleans, and with the clerk of the District Court in the other parishes of the State, in the manner provided for physicians, giving her age and

length of time, and the place or places during, and at which, she has been engaged in said practice, and make affidavit thereto, and shall pay to the secretary of the Board of Health in the parish of Orleans, or to the clerk of the District Court in the other parishes of the State, as the case may be, a fee of \$1. Said secretary of the Board of Health of the parish of Orleans, or clerk of the District Court, shall issue a certificate to the one so registering in accordance with the facts herein set forth, upon a blank form to be furnished by the State Board of Health, which shall entitle the holder to practice midwifery in the parish in which said certificate is issued. The clerks of the District Courts of the several parishes of the State, Orleans excepted, shall annually on the first Monday in January, make returns to the secretary of the State Board of Health in the parish of Orleans of all such certificates on record in his office.

All persons beginning the practice of midwifery in this State after the passage of this act shall appear before one of the State Boards of Examiners and submit to such examination in midwifery as the board shall require, and if such examination is satisfactory, the said board shall, upon receipt of \$5, issue a certificate the same as provided for midwives in practice at the time of the passage of this act, which certificate shall be registered as in the manner provided for midwives in practice at the time of the passage of this act, but for such registration with the secretary of the State Board of Health, or with the clerk of a District Court, the holder of said certificate shall be required to pay a fee of 50 cents only. This section does not apply to the so-called midwife of rural districts and plantation practice, who, in the sense of this act, are not considered as practicing midwifery as a profession.

Sec. 6. Be it further enacted, etc., That the Boards of Medical Examiners are authorized to elect such officers and form such by-laws as may be necessary for the efficient operation of the boards.

The boards shall have a common seal, and the president and secretary of their respective boards shall be empowered to administer oaths in the taking of testimony upon any matters pertaining to the duties of said boards.

Sec. 7. Be it further enacted, etc., That the regular meetings of the boards shall be held at least twice in each year in the city of New Orleans, but the president of the board may call special meetings elsewhere in the State whenever the Boards may deem it necessary or expedient; the call to be issued by the secretary and signed by the president.

Sec. 8. Be it further enacted, etc., That to prevent delay and inconvenience, one member of a Board of Medical Examiners may grant a permit, after a satisfactory examination, to any applicant, and shall report thereon to the boards at the next regular meeting; such temporary permit shall not continue in force longer than until the next regular meeting of the boards, but such temporary permit shall in no case be granted within six months after the applicant has been refused a permit by the boards.

Sec. 9. Be it further enacted, etc., that the certificates issued in accordance with Section 2 of this act shall be recorded in the office of the clerk of the District Court of the parish in which he or she resides, who shall make this recordation in a book to be kept for that purpose only, and also certify to such recordation by an endorsement of the original certificate, which the holder thereof shall transmit or deliver to the State Board of Health; and the clerk recording the same shall be entitled to a fee of one dollar. Such certificate transmitted or delivered to the State Board of Health shall entitle the holder to be placed on the list of registered physicians and surgeons, the publication of which is hereinafter provided for. Said Board of Health shall preserve such certificates, and a copy thereof, signed by its secretary, shall be received as evidence in the courts of this State, and for such copy a fee of fifty cents shall be paid. Until such recordation is made, the holder of such certificate shall not exercise any of the rights or privileges therein conferred to practice medicine.

Sec. 10. Be it further enacted, etc., That it shall be the duty of the State Board of Health to publish annually in the official journal of the State (and if there is no such journal, in one of the daily newspapers published in the city of New Orleans) a list of the registered physicians and surgeons in the State and their residences, and such published list shall be received in evidence by the courts of this State as proof that the physicians and surgeons therein named are duly registered, as required by law, and the said State Board of Health is hereby required to strike from said list the names of any person whose certificate may have been revoked by the State Boards of Medical Examiners, as herein provided for.

Sec. 11. Be it further enacted, etc., That the members of said Boards of Medical Examiners shall receive, as a compensation for their services, ten dollars (\$10) per day during their session, and, in addition thereto, their hotel and traveling expenses by the most direct route to and from their respective places of residence, to be paid out of any moneys in the treasury of the

boards upon the certificate of the president and secretary. The boards are empowered to demand a fee of one (\$1) dollar for the issuing of each certificate. The fee for examination shall be ten (\$10) dollars. If the applicant fails to pass a satisfactory examination, and no certificate is issued to him or her, five (\$5) dollars, to be paid into the treasury of the boards, only of his or her fee is to be retained. The fee for certificate of temporary permit shall be five (\$5) dollars, to be paid into the treasury of the boards, said fee to be accredited to the applicant when he applies to the boards for a permanent permit.

Sec. 12. Be it further enacted, etc., That any itinerant vendor of any drug, nostrum, ointment or application of any kind, intended for the treatment of disease or injury, or who may by writing, print or other methods, profess to cure or treat disease or deformity by any drug, nostrum, manipulation, or other expedient in this State, shall, if found guilty, be fined in any sum not less than twenty (\$20) dollars and not exceeding one hundred (\$100) dollars for each offense, to be recovered in an action of debt, before any court of competent jurisdiction, or shall be imprisoned for a term of not less than ten (10) days or more than thirty (30) days, or be both fined and imprisoned.

Sec. 13. Be it further enacted, etc., That any person shall be regarded as practicing medicine, in any of its departments, within the meaning of this act, who shall append the letters M. D. or M. B. to his or her name, or repeatedly prescribe or direct, for the use of any person or persons, any drug or medicine or other agency for the treatment, cure or relief of any bodily injury, infirmity or disease. This act shall not apply to farmers and planters when exclusively practicing, without compensation, on their employes and tenants.

Sec. 14. Be it further enacted, etc., That any person practicing medicine, in any of its departments in this State, without first having obtained the certificate herein provided for, or contrary to provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than \$50, or more than \$100, or by imprisonment in the parish jail for a period of not less than ten days, or more than ninety days, or by both fine and imprisonment for each offense. It shall be the duty of the respective district attorneys to prosecute violations of the provisions of this act, before any court of competent jurisdiction.

Sec. 15. Be it further enacted, etc., That the said boards shall have power to revoke any permit or certificate issued by them whenever it shall appear that the physician thus licensed has been convicted of immoral conduct before a competent court.

Sec. 16. Be it further enacted, etc., That any practitioner of medicine, in any of its departments, failing to comply with the requirements of this act, shall not be exempt from jury or military duty, nor be permitted to collect any fees or charges for services rendered, nor be allowed to testify as a medical or surgical expert in any court in this State, nor execute any certificates as a physician or surgeon, nor to hold any medical office, nor to be recognized by the State or parish or municipal corporation as a physician or surgeon; nor shall he be entitled to enjoy any of the privileges, rights or exemptions granted to physicians or surgeons by the laws of this State.

Sec. 17. Be it further enacted, etc., That this act shall not apply to any commissioned surgeon of the United States army, navy, or marine hospital service; to physicians or surgeons from other States or Territories in actual consultation with a registered physician of this State, nor to any physician actually practicing in this State before the passage of this act and in accordance with then existing laws.

Sec. 18. Be it further enacted, etc., That the said boards shall report to the prosecuting officer of the State of Louisiana all persons violating the provisions of this act. They shall report, annually, to the Governor of this State upon the condition of the practice of medicine in the State, its recommendations for the improvement of the practice, as well as a record of the proceedings of the board during the year, together with the names of all physicians or surgeons to whom the said board shall have issued certificates during the year, in accordance with the provisions of Section 2 of this act.

Sec. 19. Be it further enacted, etc., That it shall not be lawful for the State Boards of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose, to charge or obligate the State of Louisiana for the payment of any money, except as provided for in act 44 of the acts of 1882 relating to the publication of registered physicians, etc., and the said boards shall look alone to the revenue derived from the operation of this act for the compensation designated in Section 11 of this act. And if said revenue is not sufficient to pay each member in full, as per Section 11, then the amount thus received shall be pro-rated among the members. But if, at the end of the year, there should be a greater revenue derived than

sufficient to defray the expenses of the boards at all their sessions for the year, as provided in Section 7, such surplus shall remain in the treasury to be used in the expenditures of the boards during the succeeding year.

Sec. 20. Be it further enacted, etc., That all laws or parts of laws in conflict with this act be and the same are hereby repealed.

Approved July 4, 1894.

AN ACT to amend and re-enact Sections 14 and 19 of an act entitled "An Act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof, to prevent the practice of medicine, surgery, and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act, 'being Act No. 49 of the General Assembly of the State of Louisiana, approved July 4, 1894, and to repeal all parts of said act in conflict herewith; and to provide for the enforcement of said act by penalties and through civil process."

Section 1. Be it enacted by the General Assembly of the State of Louisiana, That Section 14 of an act entitled "An act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof; to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act, be amended as to read as follows:

Sec. 14. Be it further enacted, etc., That if any person shall practice medicine in any of its departments in this State, without first having obtained the certificate herein provided for, or contrary to the provisions of this act, the Board of Medical Examiners created by this act may, through their respective presidents, cause to issue in any competent court a writ of injunction forbidding and enjoining said person from further practicing medicine in any of its departments in this State, until such person shall have first obtained the certificate herein provided for and under the provisions of this act.

That said injunction shall not be subject to being released upon bond. That in the same suit in which said injunction may be applied for, the said boards, through their respective presidents aforesaid, may sue for and demand of the defendant a penalty not to exceed one hundred dollars; and in addition thereto attorney's fees not to exceed fifty dollars, besides the costs of court; judgment for which penalty, attorney's fees, and costs may be rendered in the same judgment in which the injunction may be made absolute. That the trial of said proceeding shall be summary, and be tried by the judge without the intervention of a jury.

Sec. 2. Be it further enacted, etc., That Section 19 of said act be so amended as to read as follows:

Sec. 19. Be it further enacted, etc., That it shall be lawful for the said Board of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose, to charge or obligate the State of Louisiana for the payment of any money, except as provided for in act 44 of the acts of 1882 relating to the publication of registered physicians, etc., and the said boards shall look alone to the revenue derived from the operation of this act for the compensation designated in Section 11 of this act. And if said revenue is not sufficient to pay each member in full, as per Section 11, then the amount thus received shall be pro-rated among the members. But if, at the end of the year, there should be a greater revenue derived than sufficient to defray the expenses of the board at all their sessions for the year, as provided in Section 7, such surplus shall remain in the treasury to be used in the expenditures of the boards during the succeeding year. Provided, that said Boards of Medical Examiners shall have the right to employ counsel to carry out the provisions of this act, said counsel to be paid only out of the attorney's fees recovered by him or them respectively as part of the penalty provided in Section 14 of this act, and that the cost for all proceedings taken under the provisions of Section 14 of this act shall be payable out of the revenues including penalties collected under the provisions of this act.

Sec. 3. Be it further enacted, etc., That all laws and parts of laws contrary to and in conflict with any of the provisions of this act be and the same are hereby repealed.

Approved July 2d, 1896.

#### MEDICAL LAWS OF MAINE.

AN ACT to regulate the practice of medicine and surgery. Chapter 170, Laws of 1895.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Section 1. The governor, with the advice and consent of the council, shall appoint six persons, residents in this State, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been actively employed in the practice of their profession for a period of five years, who shall constitute a board of registration of medicine. Such persons shall be appointed and hold office for terms of two, four and six years respectively, beginning with the first day of July in the present year, and until their successors are appointed, and thereafter the governor, with the advice and consent of the council, shall appoint, on or before the first day of July every other year, two persons qualified as aforesaid, to hold office for six years from the last-named day. No member of said board shall belong to the faculty of any medical college or university. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the orig-

inal board, and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. Any member of said board may be removed from office for cause by the governor, with the advice and consent of the council, and not more than two members of said board shall at one time be members of any one chartered State medical society.

Sec. 2. The members of said board shall meet on the second Tuesday of next July, at such time and place as they may determine, and shall immediately proceed to organize by electing a chairman and secretary, who shall hold their respective offices for the term of two years. The secretary shall give to the State treasurer a bond in the penal sum of one thousand dollars, with sufficient sureties, to be approved by the governor and council, for the faithful discharge of the duties of his office. The said board shall hold regular meetings, one in March, one in July, and one in November of each year, and such additional meetings at such times and places as it may determine. Said board shall cause a seal to be engraved and shall keep correct records of all its proceedings, and is hereby authorized to make such minor rules and regulations as shall be deemed necessary for the successful enforcement of this act.

Sec. 3. It shall be the duty of said board, immediately upon its organization, to notify all persons practicing medicine or surgery for gain or hire as a livelihood in this State, of the provisions of this act, by publication in one or more newspapers in each county, and every such person who is a graduate of a legally chartered medical college or university having power to confer degrees in medicine, and every person who has been a practitioner of medicine and surgery in this State for a period of three years next prior to the passage hereof, shall upon exhibition of satisfactory proof thereof to said board, and upon the payment of a fee of two dollars, be entitled to registration, and said board shall issue a certificate to him signed by the chairman and secretary, and sealed, and said certificate shall state the facts and the cause of said registration, and must be publicly displayed at the person's principal place of business as long as said person continues such practice for gain or hire.

Sec. 4. Any person not entitled to registration as aforesaid shall, upon the payment of a fee of ten dollars, be entitled to examination, and if found qualified by a majority of the members of the board present, shall be registered as a physician or surgeon, and shall receive a certificate thereof as provided in section three. Any person refused registration may be re-examined at any regular meeting of said board, within two years of the time of such refusal, without additional fee, and thereafter may be examined as often as he may desire upon the payment of a fee of ten dollars for each examination. Said board, after a conviction before a proper court, for crime in the course of professional business, and after hearing, may by unanimous vote revoke any certificate issued by them and cancel the registration of the person to whom the same was issued. Said board has also power to suspend or revoke any certificate by unanimous vote, in any case where same certificate has been wrongfully obtained or any fraud connected with the said registration. All fees received by the board under this act shall be paid by the secretary thereof into the treasury of the State once in each month.

Sec. 5. The compensation, incidental and traveling expenses of the board shall be paid from the treasury of the State. The compensation of members of the board shall be five dollars each for every day actually spent in the discharge of their duties, and five cents per mile each way for necessary traveling expenses in attending the meetings of the board, but in no case shall any more be paid than has actually been expended. The secretary shall be allowed extra compensation for books, stationery, postage and other necessary expenses actually incurred. Such compensation and the incidentals and traveling expenses shall be approved by the board and sent to the auditor of the State, who shall certify to the governor and council the amount due, as in case of other bills and accounts approved by him under the provisions of law; provided, that the amounts so paid shall not exceed the amount received by the treasurer of the State from the board in fees as herein specified, and so much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of the board as aforesaid.

Sec. 6. The board shall keep a record of the names and residences of all persons registered hereunder, and a record of all moneys received and disbursed by said board, and said records or duplicates thereof shall always be opened to inspection in the office of the secretary of state during regular office hours. Said board shall annually report to the governor, on or before the first day of January in each year, the report to contain a full and complete account of all its official acts during the year, also a statement of receipts and disbursements of the board and such comments or suggestions as may be deemed essential.

Sec. 7. It shall be the duty of the board, its members or agents, to investigate all complaints regarding non-compliance with or violation of the

provisions of this act, and to bring all such cases to the notice of the proper prosecuting officers.

Sec. 8. On and after the first day of January, in the year eighteen hundred and ninety-six, the board shall examine all applicants for registration as licensed physicians or surgeons. Each applicant must give satisfactory proof of being twenty-one years of age, and of having good moral character, and possessing a reasonable amount of average knowledge in the branches of science he desires to practice in, and must pay the fees herein provided. Examinations shall be, in whole or in part, in writing, and shall be of an elementary and practical character. They shall embrace the general subjects of anatomy, physiology, pathology, materia medica, therapeutics, surgery, the principles and practice of medicine, obstetrics, or such branches thereof as the board may deem necessary for the applicant to possess.

Sec. 9. On and after the first day of January, eighteen hundred and ninety-six, it shall be illegal for any person not duly registered by this board to practice medicine or surgery, or any branch thereof, for gain or hire within this State. Whoever, not being registered as aforesaid, shall so practice, or shall advertise or hold himself out to the public as a physician or surgeon in this State, who appends to his name the letters "M. D.," or who uses the title of a doctor or physician, meaning thereby a doctor of medicine, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offense, or by imprisonment in jail for three months, or both.

Sec. 10. This act shall not apply to the commissioned officers of the United States army, navy or marine hospital service, or to a physician or surgeon who is called from another State to treat a particular case, and, who does not otherwise practice in this State, nor to prohibit gratuitous service or the rendering of assistance in emergency cases, nor to medical students who prescribe or operate under the direction of some registered physician or physicians, nor to midwives who lay no claim to the title of physician or doctor.

Sec. 11. Neither shall this act apply to clairvoyants or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science, so called, or any other method of healing, if no poisonous or dangerous drugs are employed nor surgical operations performed; provided, such persons do not violate any of the provisions of section nine of this act in relation to the use of "M. D." or the title of doctor or physician.

Sec. 12. For the purpose of the appointment of said board, and of registration of persons by it hereunder, this act shall take effect upon its passage, and shall take full effect on the first day of January, in the year eighteen hundred and ninety-six.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

Maryland is bounded on the north by Pennsylvania, on the south and west by Virginia, West Virginia and the District of Columbia, and on the east by the Atlantic Ocean and Delaware. It is one of the thirteen original States, and extends from 37 degrees 43 minutes to 39 degrees and 45 minutes north latitude, and from 75 degrees 10 minutes to 79 degrees 30 minutes west longitude, and comprises an area of 11,124 square miles, or 7,119,360 acres. The State is divided throughout almost its entire length into two unequal parts by the Chesapeake Bay. The surface of the eastern shore is mostly level, and is in parts swampy, but towards the north it is hilly and broken; the northwest is mountainous, being traversed by six ranges of the Alleghanies. The climate is mild and healthful, being tempered by the proximity of the ocean. The mean annual temperature, as observed at Baltimore, is 54.91 degrees—that of the summer 75.08 degrees and of the winter 34.50 degrees. The average annual rainfall is about 41 inches.

The following table shows the increase in population for 70 years:

1820.....	407,350	1860.....	687,049
1830.....	447,040	1870.....	780,894
1840.....	470,019	1880.....	934,943
1850.....	583,034	1890.....	1,042,390

The following is a list of the medical colleges in the State: School of Medicine of the University of Maryland, Baltimore; College of Physicians and Surgeons, Baltimore; Baltimore Medical College, Baltimore; Women's Medical College of Baltimore, Baltimore; Baltimore University School of Medicine, Baltimore; The Johns Hopkins University Medical Department, Baltimore; Southern Homeopathic Medical College, Baltimore.

Rate of Mortality in Maryland, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,042,390	18,000	17.27	13,579	4,421	16.42	20.48

Total number of deaths from consumption during 1890 was 2,315, which was at the rate of 2.22 per 1,000 of population, or 128.61 per 1,000 of total deaths.

# THE JOHNS HOPKINS UNIVERSITY.

## MEDICAL DEPARTMENT.

The Medical Department is an integral part of The Johns Hopkins University and in close affiliation with the Johns Hopkins Hospital.

**CONDITIONS OF ADMISSION.** As candidates for the degree of Doctor of Medicine the School receives only graduates of approved colleges or scientific schools who can furnish evidence that they are acquainted with Latin and have a reading knowledge of French and German, and that they have such knowledge of physics, chemistry and biology as is imparted by the regular minor courses given in these subjects in The Johns Hopkins University. The phrase "a minor course" means a collegiate course that requires a year for its completion. In physics, four class-room exercises and three hours a week in the laboratory; in chemistry and biology four class-room exercises and five hours a week in the laboratory in each subject are required.

**GENERAL PLAN OF INSTRUCTION.** The course of instruction occupies four years. The academic year begins October 1st and closes the middle of June, with short recesses at Christmas and Easter. Men and women are admitted upon the same terms. In the methods of instruction, especial emphasis is laid upon practical work in the Laboratories and in the Dispensary and Wards of the Hospital. While the aim of the School is primarily to train practitioners of medicine and surgery, it is recognized that the medical art should rest upon a suitable preliminary education and upon thorough training in the medical sciences. The first two years of the course are devoted mainly to practical work, combined with demonstrations, recitations, and, when deemed necessary, lectures in the Laboratories of Anatomy, Physiology, Physiological Chemistry, Pharmacology and Toxicology, Pathology and Bacteriology. During the last two years the student is given abundant opportunity for the personal study of cases of disease, his time being spent largely in the Hospital Wards and Dispensary, and in the Clinical Laboratories. Especially advantageous for thorough clinical training are the arrangements by which the students, divided into groups, engage in practical work in the Dispensary, and throughout the fourth year serve as clinical clerks and surgical dressers in the wards of the Hospital.

**SPECIAL COURSES FOR GRADUATES IN MEDICINE.** Special courses for physicians are given annually during May and June, with a preliminary course in Normal Histology during April. These courses are in Pathology, Bacteriology, Clinical Microscopy, Medicine, Surgery, Gynecology and the various specialties. They are of a practical character and intended to meet the needs of practitioners of medicine.

**CHARGES FOR TUITION.** The charge for tuition for candidates for the degree of Doctor of Medicine is \$200.00 per annum, payable in semi-annual instalments, October 1 and February 1. There are no extra charges for Matriculation or for the Laboratory courses. The fees for the special courses for graduates in medicine are \$100.00 for all of the Clinical courses, or, \$25.00 for a single Clinical course. An additional fee of \$25.00 is charged for each Laboratory course for graduates, viz.: in Pathology, Bacteriology, Clinical Microscopy, and Normal Histology. The fee for advanced and special work in the Laboratories is \$25.00.

The annual announcement of the Medical Department including that of Special Courses for Graduates in Medicine will be sent upon application to the

# JOHNS HOPKINS HOSPITAL

BALTIMORE, MD.

**THE JOHNS HOPKINS HOSPITAL,** Founded by the liberality of Johns Hopkins, a merchant of Baltimore, is a large, general hospital, built in pavilions, for the treatment of acute diseases. It is divided into Medical, Surgical and Gynecological Departments, each under the direction of the Physician-in-Chief, the Surgeon-in-Chief and the Gynecologist-in-Chief to the Hospital, respectively.

The Hospital receives the following classes of patients :

1. The sick poor of **Baltimore and its suburbs**, who are **treated free of charge.**
2. Casualty or accident cases from **Baltimore or the State of Maryland**, who are also **treated free of charge.**
3. Patients having **no residence in Baltimore**, who pay board in the **public wards at \$5 per week.**
4. Pay patients **from any portion of the United States or Canada**, who are treated in the **private wards at prices varying from \$20 to \$35 per week.**

In the private wards surgical operations and the services of an ophthalmologist, otologist, laryngologist, neurologist or dermatologist are extra, unless otherwise especially arranged for with the Superintendent. Massage and laundry charges are extra.

The Johns Hopkins Hospital publishes a Bulletin at \$1 per year, and an annual volume of Reports at \$5 per year.

Was established for the treatment of cases of mental disease, selected cases of alcoholic and opium habitues, and the various cases of nervous diseases, requiring removal from the environments of home. It is also an ideal place for recuperation from exhaustion due to overwork. It is situated on one of the highest elevations in Baltimore County, five hundred feet above the sea level, and overlooks the prosperous village of Catonsville, one of the most popular suburbs of Baltimore. The buildings are situated away from the main roads and the Home is quiet and secluded, yet, at the same time, easily accessible.

THE RATES are moderate and will be quoted by the Medical Director receiving a short outline of the nature of any proposed case.

## MEDICAL LAWS OF MARYLAND.

### CHAPTER 296—LAWS OF 1892.

AN ACT to repeal and re-enact, with additions and amendments, Sections 39, 40, 41, 42, 43, 44, 45, 46 and 47 of Article 43, of the Code of Public General Laws, title "Health," sub-title "Practitioners of Medicine," and to add additional sections thereto to be designated as Sections 49, 50, 51 and 52.

Section 1. Be it enacted by the General Assembly of Maryland, That Sections 39, 40, 41, 42, 43, 44, 45, 46 and 47 of Article 43, of the Code of Public

General Laws, title "Health," sub-title "Practitioners of Medicine," be and the same are hereby repealed and re-enacted, with amendments and additions, and that new sections be added to said article to be designated as Sections 49, 50, 51 and 52, so that the said title shall read as follows:

39. Every person not now practicing medicine and surgery, who shall hereafter begin to practice medicine and surgery in any of its departments, except dentistry, in the State of Maryland, shall possess the qualifications required by this act.

40. From and after the first Tuesday in June, eighteen hundred and ninety-two, there shall be and continue to be two separate boards of medical examiners for the State of Maryland, one representing the Medical and Chirurgical Faculty of the State of Maryland, and one representing the Maryland State Homeopathic Medical Society of the State of Maryland. Each board shall consist of seven members, and each of said members shall serve for a term of four years, or until their successors are appointed and qualified, each board to have exclusive rights to examine, pass upon the qualifications of, and license its own applicants, said members of the first or old school board to be appointed by the Medical and Chirurgical Faculty of Maryland, of which two shall be from the counties of the eastern shore, and five from the western shore, of which latter number two shall be from the counties west of the Blue Ridge Mountains; and said second or Homeopathic Board to be composed of seven physicians appointed by the Maryland State Homeopathic Medical Society, of which three shall be residents of Baltimore, and four of the State at large; the appointees shall be physicians actually engaged in the practice of medicine, and of recognized ability and honor; the term of office of each board shall commence on the first Tuesday in June, eighteen hundred and ninety-two. No member of any college or university, and no physician having a pecuniary interest in the trade of pharmacy, shall be appointed to serve as a member of either of said boards; vacancies occurring in such for unexpired terms shall be filled by the board, in accordance with the foregoing provisions of this section, and for expired term in same manner as for first appointees.

41. That each board of medical examiners shall meet within thirty days after receiving official notice of their appointment. At the first meeting of each of the boards respectively, an organization shall be effected by the election, from their own membership, of a president and secretary, for the purpose of examining applicants for license; each of said boards of medical examiners shall hold one or more stated or special meetings in each year, due notice of which shall be made public, at such times and places as may be determined by the members thereof respectively; at said stated or special meetings a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for examination for a license to practice medicine and surgery in this State; said register for license shall show the name, age and last place of residence of each candidate; the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this act; but such matters shall not be written in said register or made public until after the examination.

42. At the first meeting of an examining board, or at a stated special meeting held subsequently, suitable provisions shall be made by each of the examining boards to prepare a schedule of written examinations upon anatomy, physiology, chemistry, surgery, practice of medicine, materia medica and therapeutics, obstetrics, gynecology, pathology, medical jurisprudence, and hygiene, and shall require the same standard of excellence from all candidates. In the department of therapeutics and practice the questions shall be in harmony with the tenets of the school selected by the candidate; the standard of acquirements therein to be established by each board for itself. Whenever members of any board are necessarily absent from meetings held for the examination of applicants for license, suitable temporary provisions shall be made for thorough examination in each and all of the aforesaid subjects by the members present. The examination shall be fundamental in character and such as can be answered in common by all schools of practice. The votes of all the examiners present shall be "yes" or "no," written with their signature upon the backs of the examination papers of each candidate for the respective branches.

43. That all persons commencing the practice of medicine or surgery in any of its branches after the passage of this act by the General Assembly shall make a written application for license to the president of either board of medical examiners which said applicant may elect, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has either received a diploma conferring the degree of Doctor of Medicine from some legally incorporated medical college in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country, and has also both studied medicine three years and attended three courses of lectures in different years, in some legally incorporated medical college or colleges

prior to the granting of said diploma or foreign license; provided, that two courses of medical lectures, both of which shall be either begun or completed within the same calendar year, shall not satisfy the above requirement, provided, that this condition shall not apply to students who shall be in their second year in a medical college, nor physicians who shall be practicing medicine at the time of the passage of this act. Such proof shall be made, if required, upon affidavit, upon the making of said application and proof and payment of fee as provided; the president of the board to whom such application was made, if satisfied with the same, shall direct the secretary thereof to issue to said applicant an order for examination, and when said applicant shall have passed an examination as to proficiency satisfactory to said board, the president shall grant to such applicant a license to practice medicine and surgery in the State of Maryland.

44. That all examinations shall be conducted in such manner that the name, school of graduation and preparatory training of said applicant shall not be made known to the board of examiners until his examination papers have been graded. An applicant receiving a majority of the votes of the board before whom the applicant appears shall be considered to have passed a satisfactory examination and entitled to the license of said board.

45. That a fee of ten dollars shall be paid to the secretary of the board before whom the applicant appears, before such examination is had, which said fee shall be applied by said board towards paying the expenses of said board.

46. That the board shall refuse to grant a license to any applicant who may be radically deficient in his examination in any essential branch; provided, that in case of failure of any such examination the candidate, after the expiration of one year from his rejection, shall have the privileges of another examination by the board to which application was first made.

## CHAPTER 217—LAWS OF 1894.

AN ACT to repeal and re-enact Sec. 47. of Art. 43. of the Code of Public General Laws, entitled "Health," sub-title "Practitioners of Medicine," and to add additional sections thereto, to be designated as Sections 53, 54, 55, 56, 57, 58, 59 and 60 of said article.

Section 1. Be it enacted by the General Assembly of Maryland, That Sec. 47. of Art. 43. of the Code of Public General Laws, title "Health," sub-title "Practitioners of Medicine," be, and the same is hereby repealed and re-enacted, that new sections be added to said article, to be designated as Sections, 53, 54, 55, 56, 57, 58, 59 and 60, so as to read as follows:

47. That every license to practice medicine and surgery, issued pursuant to the provisions of this act, shall be subscribed by the president and secretary of the board before whom the applicant has passed. It shall also have affixed to it by the person authorized to affix the same, the seal of said Medical and Chirurgical Faculty of Maryland, or of the Maryland State Homeopathic Medical Society, as the license may require, every such license to be in the following form and to the following effect:

To all whom it may concern, greeting:

Be it known that — on the — day of —, A. D.—, having offered as satisfactory proof that — was more than twenty-one years of age, and had received a proper preliminary education; we, therefore, gave a written order for the examination of said — before one of the board of medical examiners of the State of Maryland; that the said — was fully examined before the said board and found proficient and qualified to practice medicine and surgery in the State of Maryland as a physician and surgeon, and have caused the names of the president and secretary of our board to be subscribed and the seal of our society to be affixed hereto.

Witness our hand, and the seal of our society, this — day of — A. D.  
President, —; — Secretary.  
(Seal of Society.)

53. From and after the first day of July, 1894, no person shall practice medicine or surgery in the State of Maryland unless he or she shall be duly registered as a physician or surgeon in accordance with the provision of this act.

54. Every person who was practicing medicine in the State of Maryland on or before the first day of June, 1892, shall be entitled to be registered as a physician or surgeon, or both, upon application to the Clerk of the Circuit Court of the county in which he or she may reside, or to the Clerk of the Circuit Court of Baltimore City, if the applicant shall reside in Baltimore City, and such application shall be in writing, signed by the applicant, who shall state, under oath, that he or she was, in fact, a practitioner of medicine or surgery in the State of Maryland on or before the first day of June, 1892, and, thereupon, it shall be the duty of said clerk to register such application, and the name of such applicant, as physician or surgeon, or both, in a book to be kept for such purpose, and a certified copy of such entry of registration, under the seal of the court, shall be legal evidence of such registration in all the courts of the state.

55. All persons who have commenced to practice medicine or surgery in the State of Maryland since the first day of June, 1892; or who shall hereafter commence to practice medicine or surgery in the state, shall not be entitled to be registered in the Registry of Physicians and Surgeons, as required by law, except upon filing with the Clerk of the Circuit Court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of examiners of this state, in accordance with the terms of sec's 47 and 48 of this article, except that physicians and surgeons who have come into this state since the first day of June, 1892, or who shall hereafter come into the state to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners in accordance with the provisions of sec. 56 of this act.

56. Physicians and surgeons of good moral and professional standing, who have come into this state with intent to follow the practice of medicine and surgery within this state, since the first day of June, 1892, or who shall hereafter come into the state, being graduates of a medical college or university of good standing, and who have been practitioners of medicine or surgery for more than ten years prior to the date of the application, may make application to the president of the board of medical examiners of this state, which application shall be under, and shall state where and how long said applicant has been engaged in the practice of medicine and surgery, and from what medical college, university or other institution of learning he or she has graduated; and thereupon the said board of medical examiners shall have the authority and discretion to require said applicant to undergo an examination, in accordance with the provisions of secs. 41 to 47 inclusive of this act, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by the said Board of Medical Examiners; and, upon paying the fee for examination, as set out in sec. 45 of this article, after the examination and the determination of said board thereupon, that said applicant is qualified to practice medicine and surgery, and that he is entitled to a license, a license shall be issued to him to the same effect as the form of license set out in sec. 47 of this article, which license shall then be filed and recorded as provided by sec. 47 of this article, and it shall then be the duty of the clerk of the court to register the name of the person so licensed as a physician or surgeon, or both, in accordance with the provisions of this act.

57. All persons whose licenses have been heretofore filed and recorded in accordance with sec. 48 of this article shall be held to be duly registered physicians and surgeons within the provisions of sec. 53 of this article, and all persons who shall hereafter receive and file licenses to be recorded in accordance with said sec. 48, shall be registered as physicians and surgeons under said section and the fee to be paid for such registration and the registration of the application to the clerk, or the license therewith, as the case may require, shall be one dollar.

58. If any person shall unlawfully obtain and procure himself to be registered as physician or surgeon, either by false and untrue statement contained in his application to the clerk of the court, as required by this Act, or by presenting to said clerk a false or untrue license, or are fraudulently obtained by false and fraudulent statements made to one of said Boards of Medical Examiners, he or she shall be declared guilty of a misdemeanor and shall be fined not less than fifty dollars, nor more than five hundred dollars, and shall forfeit all rights and immunities obtained or conferred upon him by virtue of such registration, as physician or surgeon.

59. Any person who, after the first day of July, 1894, shall practice, or attempt to practice, medicine or surgery in this State, without being registered in accordance with the provisions of this Act, shall be guilty of a misdemeanor, and shall be fined not less than ten dollars nor more than two hundred dollars for each offence.

60. The provisions of this Act shall not apply to any midwife, or person who may render gratuitous services in case of emergency.

Section 2. And be it enacted, That this Act shall take effect from the date of its passage.

Approved April 6, 1894.

48. Any person receiving a license from either of the said boards shall file the same, or a certified copy thereof, with the clerk of the Circuit Court of the county or city in which he or she may practice, and it shall be the duty of said clerk to register the name of such person, and the president of the board signing the same in a book kept for the purpose, as a part of the records of his office; and the number of the book and the page therein containing said recorded copy shall be noted in the body of the license. Said records shall be open to public inspection, under proper restrictions as to their safe keeping, and in all legal proceedings shall have the same weight as evidence that is given to the record of the conveyances of land; the fee for each registration shall be one dollar, to be paid by the person whose license is registered.

## CHAPTER 194—LAWS OF 1896.

AN ACT to repeal and re-enact with amendments, Sections 54 and 56 of Article 43 of the Code of Public General Laws, entitled "Health," sub-title "Practitioners of Medicine," and to add additional sections thereto, to be designated as Sections 61, 62, 63 and 64 of said article.

Section 1. Be it enacted by the General Assembly of Maryland, that Sections 54 and 56 of Article 43 of the Code of Public General Laws, title "Health," sub-title "Practitioners of Medicine," be and the same are hereby repealed and re-enacted with amendments, and new sections, to be known as Sections 61, 62, 63 and 64, are hereby enacted and added to said article, to be designated as sections 61, 62, 63 and 64, to read as follows:

54. Every person who was practicing medicine in the State of Maryland, on or before the first day of June, 1892, shall be entitled to be registered as a physician or surgeon, or both, upon making application to the president of either board of State medical examiners, which application shall be in writing, and verified by the oath of said applicant taken before any officer entitled to administer oaths under the laws of this State, and shall state that the applicant was a duly qualified lawful practitioner of medicine, in good standing, actually engaged in the practice of such profession in said State, on or before said first day of June, 1892. And upon receiving said application, and being satisfied of the truth of said statement therein contained, said president of such board shall issue or endorse his permit for such applicant to be registered, upon a copy of such application, which permit shall also be countersigned by the secretary of said board; and any president of such board, to whom such application is addressed, may in his discretion make inquiry, and examine witnesses under oath, or receive other evidence as to the truth of the statements contained in such application, for a permit to be registered; and if the president of either of such boards of medical examiners shall act upon such application, and shall refuse the same, then no president of the other of said boards shall entertain or act upon any application of such applicant for such permit. And upon the presentation of a permit to be registered, signed by the president, and countersigned by the secretary of either of said boards of medical examiners, to the clerk of the county where the applicant may reside, or to the Clerk of the Circuit Court of Baltimore City, if said applicant shall reside in Baltimore City, it shall be the duty of the said clerk to register such application and permit, and the name of such applicant as physician or surgeon, or both, in a book to be kept for such purpose, and a certified copy of such entry of registration, under the seal of the court, shall be legal evidence of such registration in all the courts of the State; provided, however, that the provisions of this Act shall not apply to those practicing medicine in the State of Maryland prior to June, 1892, and who registered as practitioners of medicine prior to July, 1894.

56. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of medicine and surgery within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this article, may make application to the president of either board of medical examiners of this State, which application shall be made under oath and shall state when and how long said applicant has been engaged in the practice of medicine and surgery and from what medical college, university or other institution of learning he or she graduated. And, thereupon, the board of medical examiners shall have the authority and discretion to require applicants to undergo an examination, in accordance with provisions of sections 41 to 47, inclusive, of this article, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by

the board of medical examiners, and upon paying the fee for examination, as set out in section 45 of this article. After the examination and determination of said board, thereupon, that said applicant is qualified to practice medicine and surgery, and that he is entitled to a license, a license shall be issued to him to the same effect as the form of license set out in section 47 of this article, which license shall be filed and recorded as provided by section 47 of this article, and it shall then be the duty of the clerk of the court to register the name of the person so licensed as physician or surgeon, or both, in accordance with the provisions of this act.

61. Any citizen of Maryland having information which causes him to believe that any person has been heretofore wrongfully and improperly registered as physician or surgeon, or both, upon his application to the clerk of any court may apply, by petition, to the Circuit Court of the county wherein such registration was made, or to the City Court of Baltimore City, if such registration was in Baltimore City, which petition shall be under oath, and shall state that the petitioner is informed and believes that the person named therein has heretofore been improperly and wrongfully registered as physician or surgeon, or both, upon his own application and affidavit upon the register of physicians or book kept for such purpose in any court of this State, for the reason (as said petitioner is empowered) that such person was not lawfully practicing medicine in the State of Maryland, as a duly qualified practitioner of medicine in said State, entitled to be registered as a physician or surgeon upon his own application to the clerk of said court; and that said petitioner prays that the name of such person shall be struck from the registry of physicians aforesaid. Upon the filing of such petition the court or one of the judges thereof shall pass an order requiring the person therein alleged to be wrongfully or improperly registered to answer the same, under oath, on or before a date to be named within thirty days from the date of such order and to show cause, if any there be, why the prayer of such petition should not be granted, which order shall be served upon said last-named person; and if said petition shall not be answered within the time named, as aforesaid, or if the answer thereto shall be adjudged insufficient by the court, then the court shall pass an order directing that the name of such person alleged to be wrongfully or improperly registered shall be stricken from the registry of physicians or surgeons where the same shall have been registered, but if said petition shall be answered by the defendant, being the person against whom it is exhibited, by an answer under oath, fairly and fully denying the allegations of said petition, the issue thus raised shall be heard and determined by the court and either party may be entitled to a jury trial before a jury of the regular panel empaneled to try common law cases in said court; and the defendant shall be competent and compellable to testify at such hearing, and upon such hearing, the court shall render judgment with costs against the unsuccessful party. And if it shall determine that said defendant was not practicing medicine in the State of Maryland on or before the date of June 1st, 1892, not being a lawful practitioner of medicine in said State, on or before said date, it shall pass an order directing the name of said defendant to be stricken from the registry of physicians or surgeons, or both, which order shall be certified by the clerk of the court wherein said defendant was registered and he shall thereupon strike his name from said registry. But the decision upon such petition shall have no force and effect in any criminal prosecution under this article.

62. The term "Practicing Medicine or a Practitioner of Medicine," when used with respect to the qualifications of a practitioner or applicant to be registered under this article, shall be construed to mean the "practice of medicine" as a profession or means of livelihood and by one duly licensed or registered. If a license or register by law at the time when such practice is alleged or claimed, or by one otherwise duly qualified to practice medicine, if other qualifications were required by law at such date.

63. It shall be the duty of the secretary of either or both of said State Boards of Medical Examiners to inquire into all violations of law under this article and to institute all proceedings or prosecutions thereof, and all expenses incurred by any secretary of either of such boards hereunder shall be allowed and paid out of the funds acquired by or belonging to said boards respectively.

64. The said board of medical examiners shall have full control over the expenditures and disposition of the funds collected from the fees and charges authorized to be made under the terms of this article, and shall fix and allow such compensation as they may deem proper for service rendered in the performance of the duties required by this article by members of said board or others, with the full power; also to allow and discharge all proper expenses of said board, and any surplus to dispose of as said board may deem for the advantage of the practice of medicine in this State.

Sec. 2. And be it further enacted, That this act shall take effect from the date of its passage.

Approved April 4, 1896.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The State of Massachusetts, which was included in the original thirteen, extends from 41 degrees 15 minutes to 42 degrees 55 minutes north latitude and from 69 degrees 56 minutes to 73 degrees 31 minutes west longitude, and comprises an area of 7,800 square miles, or 4,992,000 acres. It is bounded on the north by Vermont and New Hampshire, on the east by the Atlantic Ocean, on the South by Rhode Island and Connecticut, and on the west by the State of New York.

The climate is cool and salubrious, the winters being severe and long and the summers warm but short. The mean annual temperature as observed at New Bedford during a period of 58 years is 48.56 degrees; that of the summer 66.95 degrees, and of the winter 30.21 degrees. The average annual rainfall is about 45 inches.

The following table shows increase in population for 70 years:

1820 .....	523,159	1860 .....	1,231,066
1830 .....	610,408	1870 .....	1,457,351

#### MEDICAL LAWS OF MASSACHUSETTS.

Abstracts from the Acts of 1894, 1895, 1896 and 1897 now in force relating to the registration of physicians and surgeons:

St. 1896, Chap. 230. All applications for registration as physicians or surgeons under the provisions of chapter four hundred and fifty-eight of the acts of the year eighteen hundred and ninety-four, shall be made upon blanks to be furnished by the Board of Registration in Medicine, and shall be signed and sworn to by the applicants.

Said board shall examine all applicants, and only such as are found qualified and shall give satisfactory proof of being twenty-one years of age and of good moral character, shall receive certificates of registration as provided in said act: Provided, however, that said board shall register without examination any applicant whom it may find to be of good moral character, of more than sixty years of age, and a graduate of a legally chartered medical college having power to confer degrees in medicine, and who has been a practitioner of medicine in this commonwealth for a period of ten years next prior to the passage of this act, and who otherwise complies with the provisions of this act.

St. 1897, Chap. 196. Any person . . . shall, upon payment of a fee of twenty dollars, be entitled to examination, and if found qualified by four or more members of said board, shall be registered as a qualified physician, and shall receive a certificate thereof. . . . Any person refused registration may be re-examined at any regular meeting of said board, within two years of the time of such refusal, without additional fee, and thereafter he may be examined as often as he may desire, upon the payment of the fee of ten dollars for each examination.

St. 1896, Chap. 230. Said board may by a unanimous vote, after a hearing, revoke any certificate issued by it to, and cancel the registration of any person convicted of any crime in the practice of his professional business, or convicted of a felony.

St. 1894, Chap. 458. It shall be the duty of the board to investigate all complaints of disregard, non-compliance or violation of the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officers.

Examinations shall be, in whole or in part, in writing, and shall be of an elementary and practical character. They shall embrace the general subjects of surgery, physiology, pathology, obstetrics and practice of medicine, and shall be sufficiently strict to test the qualifications of the candidate as a practitioner of medicine.

This act shall not apply to commissioned officers of the United States army, navy or marine hospital service, or to a physician or surgeon who is called from another state to treat a particular case, and who does not otherwise practice in this state, or to prohibit gratuitous services; nor to clairvoyants, or to persons practicing hypnotism, magnetic healing, mind cure, massage methods, christian science, cosmopathic or any other method of healing: provided, such persons do not violate any of the provisions (of the law).

St. 1895, Chap. 412. Whoever not being registered as aforesaid shall advertise or hold himself out to the public as a physician or surgeon in this commonwealth, or appends to his name the letters "M. D., or uses the title of doctor, meaning thereby a doctor of medicine, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offence, or by imprisonment in jail for three months, or both.

St. 1896, Chap. 230. Any person who shall practice medicine or surgery under a false or assumed name, or under a name other than that under which he is registered, or who shall personate another practitioner of a like or different name, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offence, or by imprisonment in jail three months or both.

St. 1894, Chap. 458. The board shall hold three regular meetings in each year, one on the second Tuesday of March, one on the second Tuesday of July and one on the second Tuesday of November, and such additional meetings at such times and places as it may determine.

# Union General Hospital,

158 Springfield Street,

**BOSTON, - - MASS.**

Centrally located in the heart of Boston, facing one of the beautiful parks of the city. An institution practically home-like, in which the patients have all the comforts without the annoyances of a public hospital.

Daily visits from friends are permitted, also the attendance of the physician or surgeon of their choice. *All physicians are on equal terms*, and can admit suitable patients on application. All cases are accepted, excluding only contagious diseases and the insane.

There is a special lying-in department, and the hospital is thoroughly equipped for emergent cases. At present we can accommodate over 70 patients.

Correspondence solicited from the medical profession, and it is earnestly desired that they will acquaint themselves with our advantages by personal inspection.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

*The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.*

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.

## MEDICAL LAWS OF MICHIGAN.

### AN ACT To Promote Public Health.

Section 1. The People of the State of Michigan enact, That from and after this act shall take effect, it shall not be lawful for any person to prac-tice medicine or surgery, or any branch thereof (except dentistry), in this State, without having the qualifications required in the provisions of this act, and without having first registered in the office of the county clerk, as provided in this act.

2. The necessary qualifications to practice medicine in this State shall be—

First—That every person who shall have actually practiced medicine con-tinuously for at least five years in this State, and who is practicing when this act shall take effect, shall be deemed qualified to practice medicine in this State, after having registered in the office of the county clerk, as pro-vided by this act.

Second—Every graduate of any legally-authorized medical college in this State, or in any one of the United States, or in any other country, shall be deemed qualified to practice medicine and surgery in all its departments, after having registered as provided in this act: Provided, that the provisions of his act shall not be construed so as to prohibit any student or under-graduate from practicing with and under the instruction of any person legally qualified to practice medicine and surgery under and by the provi-sions of this act. Provided, that every person qualified to practice medicine and surgery under the provisions of this act shall, within three months after this act shall take effect, file with the county clerk of the county wherein he has been engaged in practice, or in which he intends to practice, a statement sworn to before any officer authorized to administer oaths in said county, setting forth, first if he is actually engaged in practice in said county, the length of time he has been engaged in such continuous practice, and if a graduate of any medical college, the name of the same and where located, when he graduated and the length of time he attended the same, also the school of medicine to which he belongs, and if he is a student or undergraduate, the length of time he has been engaged in the study of medicine, and where; and if he has attended a medical college, the name of the same and where located, and the length of time so attended and when; also the name and residence of the physician under whose instruction he is practicing or intends to practice. It shall be the duty of the county clerk of each county in this State to record, in a book to be provided by the county, the affidavit (or sworn statement) of every physician practicing in said county. For recording such statement, the county clerk shall receive fifty cents, to be paid by the person filing the same.

3. It shall be the duty of the supervisor, at the time of making the an-nual assessments in each year, to make out a list of all the physicians, and each student practicing under the instruction of a preceptor residing within his township, village, ward or city, with the name, age, sex and color of

each, and the length of time each has been engaged in practice, and if a graduate of a regularly established and reputable college, the name of the college and the date of graduation. Such list shall be returned by the supervisor to the township, village or city clerk, and by the clerk recorded in the book in which are kept the records of the local board of health.—As amended by Act 268, Laws of 1887.

4. No person who practices medicine, surgery or midwifery in any of their branches (except dentistry) shall be able, in any of the courts of the State, to collect pay for professional services, rendered subsequent to the time that this act shall take effect, unless he was, at the time such professional services were rendered, duly qualified and registered as a medical practitioner according to the several provisions of this act.

5. The supervisor, township, village or city clerk is hereby authorized to administer the oaths required by this act.

6. Whoever advertises or holds himself out to the public as authorized to practice medicine or surgery in this State, when in fact he is not authorized under the provisions of this act, shall be deemed guilty of a misdemeanor, and, on conviction thereof, shall be liable to a fine of not less than five dollars nor more than fifty dollars for each offense.

7. It shall be the duty of the supervisor and the health officer of the local board of health in each township, village, ward or city to enforce this act.

This act shall take effect September 7, 1883.

The postoffice address is shown in Display Type, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 111 to 150) indicates the college of graduation, and the last number the year in which diploma was granted.
